## **BI GLASS FIBRE PTY LTD** February 2018

Thank you to Gary and the team SA Debt Recovery for your assistance to recover a large debt that was owed to my company, and well overdue.

The debt was causing major cash flow issues for my business and needed the strong actions that you recommended.

I appreciated the regular updates from you and guidance on the best course of action to recover the debt in a short period of time.

You certainly achieved the result.
