

I had been trying with no success for 5 months to recover old debts from existing clients, frustrated and annoyed I thought I would turn to the services of a professional.

I found SA Debt Recovery's website through a Google search and went straight to their testimonials section.

Somewhat impressed with their extensive testimonial section, I decided to give them a try.

Thank goodness I did. Not only did it take the pressure and stress away from me, but the outcome was terrific.

All the accounts that I had sent to Gary were finalised within 2 months, and I was kept well informed along the way.

Thank you Gary and team, I would have no hesitation in recommending your services to others.
