12\10\2010

Using SA Debt recovery has been one of the most rewarding experiences in our road to retrieving outstanding debts. Gary even organised all court documents and lodged our civil claim on one of our debts - how easy is that! We have had a 100% success rate using Gary from SA Debt Recovery! There is no better testimonial. SA Debt Recovery has also assisted other friends of ours in business again with great success.

Thanks Gary or as I call him Chief.
